The Cairn Terrier Relief Fund
Mrs C M Roberts - Hon Secretary

Dear Chris

It gives me much pleasure to be in a position to forward the enclosed cheque to the sum of £1500, as a donation to the Cairn Terrier Relief Fund, knowing it will be used to meet veterinary fees for those Cairns which your organisation have re-homed; even though possessing a lifetime health problem.

All of the Fun Day helpers pulled in one direction only and that was towards making the day, other than being an enjoyable one, to be a very successful one; in its aim of raising money in aid of its selected good cause. Each helper played an essential role and I'm certain that they are just as proud as me, on learning all our efforts have been rewarded by raising such a grand total.

As for myself, I will be eternally grateful to the ones who very generously sponsored Captain Pugwash in his spectacular shot putting display; also, to all those who supported the event by their attendance on the day.

We ask for your committee to be willing to allow us the privilege of having your charity, once again, as our main fund-raising target in 2009. When all of us will attempt to raise further money to make another donation towards assisting in caring for the health and welfare of Cairn Terriers.

Yours sincerely,

Graham Peers
