Dear Graham

On behalf of the C.T.R.F. I wish to thank you and your committee for the most generous donation of £1500.00 (one thousand five hundred pounds), which you raised at the Fun Day in June of this year. The money will go towards veterinary expenses for mainly our elderly Cairns, however some of the younger one's that have been re-homed have required a vets expertise, so your donation is very much appreciated.

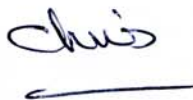

As you know I was able to attend the Fun Day myself this year and although the weather was damp it certainly didn't dampen anyone's spirit, as it was a very happy and enjoyable event.

I wish you well for any future events that you organise, but with a team that works as hard as yours any event that you organise will, I am sure be a resounding success.

In response to your question to allow you to name the C.T.R.F. as the main fund raising target in 2009, the answer is yes please.

With best wishes to you all

Yours sincerely

Mrs Chris Roberts
Secretary/Treasurer C.T.R.F.
